May's Tax Talk Today Features "The Electronic IRS...more than just e-file"

IR-2008-67, April 30, 2008

WASHINGTON — The Internal Revenue Service's next Web cast aimed at educating tax and payroll professionals will provide the latest news and information on e-file, e-services and other electronic tools important to the practitioner community.

The latest Tax Talk Today program will appear on Tuesday, May 13, 2008, at 2 p.m. The Web cast is entitled "The Electronic IRS...more than just e-file".

If you haven't visited IRS.gov lately, you'll be surprised and amazed how easy it is to find information about and use IRS's ever-expanding, on-line products and services.

This month, tune in for the latest news and information on e-file, e-services, and other electronic tools important to the practitioner community.

The show's panel of experts includes Roger Harris, President and C.O.O., Padgett Business Services®/SmallBizPros, Inc., Padgett Foundation; Tony Tullo, Federal Compliance Director, Automatic Data Processing; Beth Jones, Director, Electronic Products & Services Support (EPSS), IRS Wage & Investment (W&I) Division; and Paul Mamo, Director, Development Services Division, IRS Electronic Tax Administration. Tax professionals are encouraged to watch and submit questions.

To access the Web cast at no charge, viewers can register [online](#). Tax professionals in need of continuing education credits are eligible to receive one CEC by viewing the March 11 Web cast.

Archived shows are available on the site also.

The next show is on Tuesday, July 8 when the topic will be "Retirement Plan Pitfalls".
